

SOLICITATIONS WARNING & UNAUTHORIZED SERVICES

HOUSING/HOTELS/TRAVEL AGENCIES

OilComm and FleetComm worked directly with the Houston Marriott Westchase to offer a block of rooms for our attendees and exhibitors at OilComm and FleetComm. Reservations should be made directly with the hotel [online](#) or by calling the Houston Marriott directly at (713)-978-7400 and referencing the OilComm and FleetComm 2018. Please be vigilant if approached by any company that implies or claims to be an official housing provider of OilComm and FleetComm. We have been made aware of housing companies or travel agencies that may be aggressively pursuing you, or your company, to book your guest rooms through their company at supposedly significant discounts.

ATTENDEE LISTS

OilComm and FleetComm **DO NOT** make the attendee list available to any third parties due to privacy concerns of our attendees, and access to the attendee list is **ONLY** available directly through OilComm and FleetComm. Any company or vendor reaching out to you to purchase or rent the attendee list is not a legitimate company and you will not be getting the official attendee list of the conference. See sample e-mail with pointers on how to recognize a scam e-mail with you receive one.

If you wish to rent the OilComm and FleetComm attendee list, please contact David Muirhead directly at dmuirhead@accessintel.com or +1-484-869-2378.

EXHIBITOR SCAM WARNINGS

Beware of marketing offers from Construct Data (The Fair Guide) and similar companies – the offers look official and the invoices appear legitimate, but they are not. Construct Data Verlag AG of Austria, Commercial Online Manuals S de RL de CV of Mexico and similar companies target U.S. tradeshow exhibitors. They offer advertising space on The Fair Guide and/or Expo Guide websites, using a form which resembles an organizer’s free catalog listing service, inviting exhibitors to sign and return the form for an entry in an on-line directory. The companies typically make it appear they received your information from OilComm and FleetComm and that there is a connection between their “Guide” and OilComm and FleetComm. However, exhibitors who sign and return the form are then bound to a non-terminable agreement at significant cost for a period of at least three years and automatically renewing thereafter at the same cost, unless canceled by registered letter within the appropriate period.
